Volunteer Policy

MCC Hockey Section relies heavily on the unpaid work of volunteers and values their contribution highly.

Volunteers contribute in many ways to the successful operation of the section, through committees, coaching, mentoring, preparing rosters, uniform sales, kiosk and facility management.

It is important that the MCC Hockey Section and its volunteers follow the guidelines set out in this policy.

- Volunteers should at all times perform their duties and tasks in the best interests of the section.
- Volunteers should be respected by all section members and those associated with the section for the valuable contribution that they make.
- Volunteers are required to ensure that they meet the requirements of the Working With Children Check legislation, and understand that this is a personal as well as section responsibility.
- Volunteers must ensure that they understand and adhere to the published MCCHS Codes of Behaviour and Policies.
- Volunteers will be provided with support by the Committee and Sub-Committees.
